Ideal for nature lovers!

The municipality of Estepona spans an area of 137.5 km², running alongside the coast and penetrating the Sierra Bermeja further inland, a mountainous area perfect for cycling and hiking.

Families, couples, and friends from far and wide descend on the Estepona coast each year to enjoy the weather and the excellent quality of local life.

Estepona is also home to a world-renowned institution, the Escuela de Arte Ecuestre Costa del Sol (Estepona Riding School), allowing horse lovers to get their equestrian fix.
