Villa Alegría is located on a hill in the Campo Mijas urbanisation, just five minutes from the mountains and the sea. Enjoy the pleasure of being surrounded by nature and yet very close to the city, with excellent views to the valley, the mountains and the sea. Distributed over three levels as follows: The large basement is used as a garage and a cosy multipurpose space for family enjoyment. From this level we connect with the swimming pool through a large terrace, partly covered and partly open, where we perceive the freshness of green plants in a beautiful garden. On the ground floor, ...(Ask for More Details!)

Villa Alegría is located on a hill in the Campo Mijas urbanisation, just five minutes from the mountains and the sea. Enjoy the pleasure of being surrounded by nature and yet very close to the city, with excellent views to the valley, the mountains and the sea. Distributed over three levels as follows: The large basement is used as a garage and a cosy multipurpose space for family enjoyment. From this level we connect with the swimming pool through a large terrace, partly covered and partly open, where we perceive the freshness of green plants in a beautiful garden. On the ground floor, we access a formidable open space dedicated to kitchen and living room, here we find the staircase and lift core that connects all levels with special comfort. The top floor, designed with 3 bedrooms, the master bedroom in wite with large dressing room and a nice terrace with beautiful sea views. This floor is completed with two bedrooms with fitted wardrobes and a common bathroom in the central area. The garden has been designed with trees and decorative plants in the area of the plot that has not been built up. The privileged location is due to its proximity to the Las Lagunas de Mijas area, where you can find all the services, shopping centres, restaurants, medical clinics and excellent access to the Costa Del Sol motorway. Situated 15 minutes from the airport and 20 minutes from the large city of Malaga, which offers a wide range of leisure, culture and typical local gastronomy. For sport lovers, 5 minutes away we have, Mijas Golf, Tennis Club, Football, Horse Races, Athletics and much more. The reference prices in this location for the three quality levels offered are: GOLD Level price 1.325.000 €; PLATINUM Level price: 1.523.750 € and, DIAMOND Level price: 1.752.350 €. The purchase process includes 3 very simple steps: 1.- Choice of villa and location. From the collection of villas and the catalogue of plots offered, the client chooses the one he really likes and best fits his needs and desires. "From this moment on, everything starts". 2.- Adjust the design. Once the villa and location have been chosen, the client can adjust the interior and exterior design to their personal needs, with maximum respect for the applicable regulations and, always with the help and advice of the Villas à la Carte team, who will inform them of the technical feasibility of the proposed changes. 3.-Selection of finishing elements. We offer a variety of options in the finishing elements, selected from the sensation of balance, harmony and well-being, seeking at all times the maximum ease and comfort for our clients. In each of the villas of the collection we offer three levels of quality, which in ascending form, we call them: GOLD, PLATINUM and DIAMOND. In addition, we offer a battery of extras, consisting of finishing elements that are not elements that are not included in any of the three levels. The customer can choose any of the three levels, interact between them, incorporate extras or bring different ideas to be studied by the bring different ideas to be studied by our technical team. We contemplate for our clients "the field of all possibilities". The client decides and always has the last word, because we have a deep respect for his personal wishes and privacy. The developer may carry out modifications without this implying a decrease in the quality of the materials. The images shown are indicative, not exclusive and subject to variation. The availability of the electrical appliances and other quality elements included here will be checked at the date of signing the contract and the date of their installation, being replaced by a brand and model of equivalent quality in case of shortage. The furniture shown in the images is not subject to contract. The prices offered do not include the taxes inherent to the sale and purchase, and will be updated at the date of signing the corresponding contract of sale and purchase in promotion.
