Casita Jesus is a reform opportunity for someone looking to do a project. The property has water, electric and printed concrete access. It is located in a charming hamlet below the village of Los Romanes with all of its amenities. The house as it stands has a kitchen area, lounge, bedroom and bathroom on the ground floor. Upstairs is a landing with 2 further bedrooms. The house has thick, sturdy walls but it will need a new roof, which will then potentially give this property lake views. This could be a very interesting project for the right person.
