At Casares Costa Golf, this low-density development with just 74 apartments and 17 penthouses offers an oasis of serenity where each residence enjoys sunny terraces and gardens on the ground floor, designed to harmonise with the privileged climate and radiant Mediterranean sunshine. Enjoy breathtaking views that take in the majestic golf course, sparkling sea, and mountains. Amaranta represents the culmination of a healthy lifestyle in an incomparable setting. These apartments and penthouses with 2 and 3 bedrooms and ground floors with gardens offer a low construction density that guarantees privacy and serenity. The common areas with their large open spaces surrounded by nature and the carefully designed interiors are intended to make the most of the sea views, providing an environment where calm reigns that is perfect for self-care and relaxation. The light makes all the difference in the homes, which each have large terraces from 21 m<sup>2</sup> to 104 m<sup>2</sup>, or gardens on the ground floors that cover as much as 154 m<sup>2</sup>, providing the interiors with bright light in all rooms and the best views of the sea or the golf course without compromising privacy. From the inside, the large windows and open spaces invite natural light to flood the interiors, while the depth of the views mean that from the comfort of your home you can instantly connect effortlessly with the landscape. Each detail has been carefully considered to maximise the feeling of well-being, turning every moment into a relaxing experience. The open plan configuration of the living rooms in Amaranta elevates the feeling of spaciousness and promotes family contact. The fully furnished Italian-style kitchens, along with highperformance appliances, project a discreet elegance that permeates the entire home. The master bedroom has an en-suite bathroom and walk-in wardrobe, and the secondary bedrooms offer spaciousness and an orientation that invites calm retreat. The entire project has been created with the focus on the premise that the low energy consumption required in these times does not need to compromise the comfort of its inhabitants. All our homes have excellent exterior insulation, high-performance water-saving taps and fittings. Hot water from communal solar panels and an arothermal heat pump system, with individual inter-accumulators in each home. In our fully equipped indoor gym, you'll find multidisciplinary equipment and changing areas, all designed with your well-being in mind. In addition, we offer a gourmet room as a leisure area, equipped with every amenity. Chill out space for relaxation with other members of the community. Golf simulator, equipped with driving range, playing on real courses, online play and fully customisable. For lovers of barbecues, there is an outdoor area next to a garden space where you can enjoy unforgettable moments outdoors. Amaranta has it all in the heart of the Andalusian coast, it is the perfect balance between fun and tranquillity, tradition and modernity, sophistication and glamour. Set in an unrivalled natural environment, Amaranta is the best point of access to the beaches of the Costa del Sol as well as to the mountains that surround it dotted with charming white villages such as Casares and Gaucín, and places like Estepona, which bring the charm of the traditional to this unique experience. Just a few kilometres from Amaranta, there are towns such as Manilva, Sotogrande, Estepona or Marbella, centres of sophistication and elite sports. Playa de los Toros, Torreguadiaro or Guadalquítón... beaches where huge stretches of sand merge with the sea embraced by natural landscapes of native vegetation. Amaranta is located in Casares Costa Golf which offers a worldclass leisure experience on your doorstep. The complex has its own exciting 9-hole course, a restaurant, golf academy, gym and beauty salon, as well as an 18-hole Footgolf course to enjoy with the family. The Casares Costa Golf School offers introductory courses leading to the obtaining of a federation licence, as well as individual and group classes, and swing analysis. It is the international golf destination par excellence. A short distance away are some of the most prestigious courses in the world, such as Finca Cortesín, Valderrama, Real Club de Golf Sotogrande, La Reserva Club and Alcaidesa. For lovers of golf, this place offers a unique opportunity.
