This exclusive project with an elegant Scandinavian design blends harmoniously with the surrounding nature. The architecture of the small community of 13 townhouses follows seamlessly the undulating shapes of the waves. South facing unique energy efficient homes, with beautiful panoramic sea views and breathtaking sunsets, makes living here enjoyable and fun under the sun. Each home has 3 bedrooms, 2 bathrooms and a WC, with a possibility of making an extra bedroom with the extra storage space available. All the materials are of the highest quality, with well-known brands, modern gourmet kitchens, designer bathrooms, underfloor heating in the whole house and high energy efficiency are details that make the difference. Enjoy panoramic sea views and lovely sunsets on the roof top terrace of your new home. The complex is next to a green belt area, which will be designed using beautiful trees and a little park where you can walk and enjoy the fresh sea breeze. The landscaping blends perfectly into the residential area. 18/06/2024: Prices from 980.000€ to 1.390.000€. 8 houses still available!
