- Unique villas built on one floor with open plan kitchen - Private saltwater swimming pool, beautiful landscaping and ecological garden - Luxury designer finishes Three unique villas equipped with the most advanced technologies including Aerothermal, LED lighting, Home Automation system controlled by Apple iPad and utilizing products from the best brands such as Technal, Neff, and Villeroy & Boch. Built on plots of approximately 1,000 m<sup>2</sup>, each villa has large terraces, its own landscaped garden installed with automatic irrigation with sprinklers, and an ecological orchard to enjoy the freshness of nature. In addition to the fabulous private pool with saline chlorination and areas of different depths, you have extensive space to place hammocks and a beautiful chill-out area with winter fire. All villas are surrounded with floor to ceiling double glazed windows to ensure an abundance of sunlight throughout the day while allowing you to enjoy the wonderful views of the impressive landscapes creating a calm and harmonious environment. Upon entering this 4 bedroom villa, you have a massive bright room with a fully fitted open plan kitchen with a great kitchen island, a dining area and a salon facing the garden and pool. To the right of the entrance, you have a guest washroom and two bedrooms, both with fitted wardrobes and en-suite bathrooms. On the other side of the house, you have the master bedroom with a walk-in dresser and a beautiful en-suite bathroom, and the fourth bedroom, also with a large fitted wardrobe and en-suite bathroom. From the living room, you have a staircase that takes you to an underground garage with space for two vehicles, a large basement that can be customized, a utility room and a bathroom. These unique villas are located in Nueva Andalucia, an ideal place to enjoy the lifestyle of the Costa del Sol. Glamorous shops, golf courses, international schools and all kinds of services around. Approximately 9 km from Puerto Banús, 7 km from San Pedro Alcántara and a 40 minutes drive to Malaga airport. - Dica kitchen - Neff appliances - Villeroy & Boch bathroom features - Hansgrohe taps - Underfloor heating - Home automation system The starting price for these magnificent villas is 1.895.000 Euros.
