The only mansion left in the complex! This fantastic unit is located in one of the most exclusive, quiet and safe urbanizations in the area. Thanks to its elevated position it has spectacular panoramic views of the sea, the mountains and the golf course. The houses have been built paying special attention to the quality of the materials and the outdoor spaces, where you can enjoy the good weather that the area offers for more than 350 days a year. In addition, the open spaces and large windows make these properties especially bright. Premium features include alarms and security systems, wea...(Ask for More Details!)
