This project, which is now in its second phase, is located in a privileged environment within Las Lagunas de Mijas. This new phase has even better qualities than the previous ones, counting among other features, with larger terraces, underfloor heating in bathrooms, gym, sauna, community pool and children's area. The homes, which can be 1, 2 or 3 bedrooms, are accompanied by parking spaces and large storage rooms, and are units of the highest quality, with large windows and lots of light, as well as qualitative furniture and appliances. In addition, their distribution makes them ideal for da...(Ask for More Details!)

This project, which is now in its second phase, is located in a privileged environment within Las Lagunas de Mijas. This new phase has even better qualities than the previous ones, counting among other features, with larger terraces, underfloor heating in bathrooms, gym, sauna, community pool and children's area. The homes, which can be 1, 2 or 3 bedrooms, are accompanied by parking spaces and large storage rooms, and are units of the highest quality, with large windows and lots of light, as well as qualitative furniture and appliances. In addition, their distribution makes them ideal for daily life, as they offer spacious open-plan rooms, good-sized bedrooms with their own bathrooms and dressing rooms, as well as offices and magnificent terraces. A unique opportunity to acquire an apartment just two steps from the beach, in an environment close to all services and for a very competitive price. The prices are detailed below: 1 bedroom 65.00 m² € 197,400 to € 216,500 2 bedrooms 97.00 m² to 113.00 m² € 278,700 to € 346,100 3 bedrooms 116.00 m² to 148.00 m² € 342,000 to € 531,600
