Situated on a majestic MONTE MAYOR plot overlooking the surrounding hills of Benahavis, this impressive villa provides comfort and security within the stunning surroundings of Monte Mayor. The villa is located just within the security gates of the Monte Mayor Estate, the exclusive gated community with 24 hour security. The villa sits on a corner plot of just under 3000 square meters, which is elevated above the surrounding landscape. Enter the villa from the rear where there is a large carport for 3 cars. Adjacent to this is the impressive front door which opens into the impressive heart of the home, with double height ceilings, allowing for vast glass windows, spanning floor to ceiling and creating panoramic views of the countryside and the golf course which change every day and throughout the various hours of the day as the light and the sun move around the villa. With views like these, the interior of the villa can be furnished to a simple and elegant minimalism in order to compliment the beauty of the natural scenery around it. To ensure the best for any family lucky enough to live within this villa, the open plan kitchen features a huge Danespan island, the very best in kitchen design, with attractive marble-effect work surfaces and the best kitchen appliances. There is an additional utility room, keeping domestic appliances separate from the kitchen and open-plan living areas. With access to the elevated exterior terraces that surround the huge infinity pool, there is plenty of opportunity to enjoy the design features that have been implemented and the superb fire-pit lounge that is built into the terrace, along with jacuzzi feature within the pool. A beautifully designed glass and wood staircase leads to the first floor of this Benahavis villa and connects with a gallery that spans the double height space which rises from the ground floor. Here on this level are 2 bedrooms with ensuite as well as an extra family room which can be adapted to the needs of the new owner. The most impressive of the bedrooms is of course the master suite. Enter through the large dressing room area, access the bedroom with incredible mountain views through the terrace doors, and then be blown away by the designer bathroom, where inevitably all bathing and showering will become a delightful pass time, enjoying the views through the large windows. Additional to the main villa is a stunning solarium roof terrace, large and pre-installed ready to create a rooftop heaven with outdoor kitchen, pergolas, hot-tub and any other luxury that can be enjoyed under the incredible night skies of the Mediterranean coast. Underneath this superb Monte Mayor villa is a basement area and storage, which can be incorporated with the rest of this fabulous property should the new owners wish to embellish with cinema room, gym, spa and so on. A stunning contemporary villa perched on a hill overlooking the rolling landscape of Benahavis. What better way to describe this fabulous home? Designed to maximise the impact of the surrounding views, using double height windows wherever possible to ensure that this Benahavis villa is bathed in light and sunshine.
