13 avant-garde villas with all the comforts of the 21st Century. Armoured entrance door, kitchen with low consumption appliances, under-floor water heating throughout the house, except in bathrooms that will be electric under-floor heating, porcelain floors, basic pre-installation for home automation and lift. Chill-out space outside by the pool with winter fireplace, and also the possibility to choose between various options for your basement such as a Spa with Jacuzzi, sauna and shower, a cinema room or a games room, or even a loft with the same qualities of the bedroom, lounge and kitchen of the upper floors. Located on an elevated position with the best views and total privacy and surrounded by renowned golf courses. The first Eco-Friendly resort in Costa del Sol. All energy fittings and machines will be ecological to minimize energy consumption and emissions. It will also have orchards to plant vegetables for the owners benefit. An ideal 21st Century property.
