NEW DEVELOPMENT! - Open plan kitchen - Huge terraces - Fully equipped kitchen - Aerothermal air condition system - En-suite bathroom - Wallhung toilets - Double sink in main bathroom - pre-installation for electric blinds in bed rooms and livingroom - Video intercom - Pool - Co-working area - Gym - 2 parking spaces - pre-installation for electric charging in parking space - Storage These penthouses are on 2 floors with a big solarium on the second floor but you also have a spacious terrace direct from the livingroom. The kitchens will be fully equipped with appliances such as micro, oven, fridge/freezer, extractor and dishwasher. You have fitted wardrobes with sliding doors in the bedroom. There will be pre-installation for electric blinds in bedrooms and the livingroom. The building is only 3 floors and with roofterraces for the penthouses, All apartments come with 2 parking spaces and 1 storage space. The complex will have pool, gym and co-working area. Only 3 bed units left for sale! This developments is set on the border between Benalmadena and Fuengirola with nice panoramic view out over the Fuengirola bay. You are within walking distance to some restaurants and a supermarket. The buss is close by going from Mijas to Benalmadena/Arroyo trainstation. This is a nice modern choice for the people who wants to work from home but still have contact with other workers.
