Undoubtedly, the development is a distinctive and unrivalled project beyond any other new development on Marbella's coastline. A first-class residential project located beachfront on one of the last available plots facing the wonderful beaches in one of Marbella's most sought-after locations. 96 spacious apartments and semi-detached villas of exceptional qualities, which will enjoy spectacular communal areas including an iconic social centre of features and amenities so far unseen on the Costa del Sol.

This ground-breaking project aims to offer its future owners beachfront living in a new light and to enjoy more refined experiences.

This project is the result of a thorough effort intended to conceive a residential project that guarantees its future resident's spacious homes that provide comfort, intimacy, privacy, and tranquillity in a pleasant and prestigious environment.
