Unique gated community of 19 luxury villas in the heart of the Costa del Sol Beautiful villa, contemporary style, with 3 bedrooms and 3 bathrooms with the option of 4 or 5 bedrooms. Large living spaces where everything is in harmony, underfloor heating, luxury kitchen with first quality materials. This villa project is a project designed for relaxation, using the latest technology for a good rest. Owners will be able to experience the BLOW system in their master bedroom, where biotechnology is applied to cell regeneration and reduction of oxidative stress. This improves the quality of sleep and helps the circulatory system. M2 built : from 460m2 to 660m2 Interior M2 : approx. 220m2 Terrace: 120m2 - 200m2 Price : from 1.495.000€ to 1.650.000€ Delivery date : 2025 5KM from the beach of La Cala de Mijas, 30min from Malaga Airport, 20min from Marbella
